Meet Our Staff

Meet Ms. Emily, our new Children's Librarian! Ms. Emily comes to Norwood after 4.5 years in the Youth Services Department at the Haverford Twp. Free Library. She loves working with

children and inspiring them to read and get involved with the world around them. Inclusion, diversity, and equity are very important to her, and she looks forward to planning lots of storytimes and other fun programs.

Ms. Emily's favorite genres are historical fiction, dystopian novels, and nonfiction. She also enjoys knitting and crafting and lives with her husband, her 2 year old daughter, her dog Dasher, and two cats Cora and Remmy. She is currently working towards her Masters degree in Library Science with a focus on childrens/youth services.

Resources

Are you planning to go on vacation this summer? If you're traveling far or going to a place that doesn't offer wifi, bring a hotspot! These little devices allow you to have wifi wherever you go. You can bring them on a seven hour car trip and be able to go on Instagram, listen to an audiobook, or watch some Youtube without using your data. Norwood Library has three hotspots. If all of ours are out, search 'Hotspot' in our search bar and find one available today! Our library offers a lot of other resources as well. We offer many museum passes for a fun day out. Check out our website to see which passes we offer. We are also now offering iPads! The library has four iPads, all with their own theme. Ask a staff member at the desk to see if any of these awesome resources are available. Delaware County Libraries also offers multiple online resources.
