

THE Norwood Library Post

Welcome!

Welcome to *The Norwood Library Post*! This will be a quarterly newsletter to keep you up to date on what's going on in the library. This is the **July - September 2023 issue**.

What's New at Norwood Library?

Since the last newsletter, there have been quite a few things that have happened at the library. First, we received a Keystone Grant for a new front door! This door will be ADA compliant which means people using wheelchairs or crutches will be able to get through the door. We also received a Library Fund of Delaware County to implement a podcasting kit and to buy copies of Minecraft to start new programs with this equipment.

Programs

Free Summer Lunches

Come to the library Mondays through Thursdays this summer to receive a free lunch for children ages 4 to 18 years old. These lunches will only be served from noon to 1 PM and all lunches must be consumed onsite. The lunches will be offered June 26th to August 18th.

***Registration required from each day at <https://delcolibraries.libcal.com/>**

Children's Programs

Summer reading is upon us at Norwood Public Library! Join us for a summer reading challenge, new programs, and free lunches for anyone under the age of 18 for our summer theme of All Together Now. ***Some programs require registration online at <https://delcolibraries.libcal.com>**

Norwood's Summer Reading Challenge

Sign-up for our Summer Reading Challenge at the main desk or the children's desk and receive a challenge card. Earn a brag tag and a free book for each challenge completed. Complete all the challenges and be entered for a chance to win one of our grand prizes.

Stay Tuned!

There are new things coming later in September. We will have more brand new books and programs. We're having Medicare events for those who are interested. We will also be having an Aging at Home program. This service offers a multitude of things. Aging at Home will connect older adults with care managers, vetted contractors, and volunteers that will help with things like personalized transportation, yard work services, and in-home or community-based services. For more information about Aging at Home, go to <https://scsdelco.org>. Along with the new adult programs, the children's and teen events will continue.
