

Dear NPL Friends and Neighbors,

For many years our Norwood Public Library (NPL) has been a sanctuary for readers, a hub for learners, and a guidepost for those seeking community resources and connection. Our resources span the latest bestsellers to timeless classics, children's story time to adult education programs, connected technology and so much more. NPL is a vibrant center of activity that keeps our community connected and strong.

Yet our library is not immune to the financial challenges facing many community institutions. The costs of maintaining our collection, running educational programs, and providing essential services continue to rise. That is why we are reaching out to you, our neighbors and friends, for support.

By investing in our library, you are investing in the future of Norwood itself. Your generosity will ensure that generations to come have access to the resources, programs, and spaces they need to thrive. In the past your support has helped us provide robust programming for children, teens and adults, purchased and installed essential ADA-compliant doors, and supported the necessary growth of our collections of books, magazines and other reading materials.

Your donation of any size today can help with the purchase of:

- **Laptops for in-house use by patrons to promote digital literacy skills**
- **Power distribution system to power iPad and laptops**
- **More seating options for parents/caregivers in the children's area**
- **STEM technology, interactives/manipulatives for children**
- **FREE passes to select area museums**

Sincerely,

Tracy Somani, President
